IT IS ESSENTIAL FOR PARENTS TO READ THE ATTACHED CODE OF DISCIPLINE BEFORE SIGNING THE DECLARATION:

- a. Watershed College is a Christian School and all children attending will be taught tenets of the Christian faith and are expected to comply with the rules and routines thus implied. No exception from any part of the curriculum will be considered on religious or any other grounds.
- b. The decision of the Head/Acting Head regarding admission to the school shall be final and not be subject to question or discussion.
- c. Once a place is offered and accepted, the deposit stipulated in the offer letter must be paid to secure the place. In the event of failure to take up an accepted place, the full deposit will be forfeited.
- d. In the event of any emergency arising, whether medical or otherwise, relating to my child, in which in the opinion of the Head it is not reasonably possible for effective communication to be established with either parent, the Head shall have authority, in loco parentis, to make and cause and allow to be carried out any decision considered necessary in the interest and welfare of my child and/or the School and/or of the student body. The attached indemnity form is to be signed.
- e. The School rules and regulations, as amended from time to time, shall bind and be observed by my child and, insofar as they may concern me, also by me. I further accept that by signing this enrolment contract I will be eligible to be a member of the Watershed Parents' Association and be bound by its constitution, which is available to me on request.
- f. The school fees, levies, non-refundable enrolment fees and other fees determined by the Board of Governors, and endorsed by the Parents' Association, from time to time are subject to revision without previous notice, and are payable in advance, on or before the first day of each term. Interest will be charged on overdue accounts; the rate being determined periodically by the School having due reference to prevailing market conditions.
- g. In view of the fact that the School is a non-profit-making concern, I agree to pay all tuition fees, levies and deposits for the education of my child as raised by the School. Failure to pay the fees by the due date or to meet the terms of any agreed payment plan will result in my child being withdrawn from classes.
- h. The Head shall have the right to refuse to allow my child to return to school for any term at the beginning of which the previous term's fees have not been fully paid.
- i. My child will fulfill the legal requirements of days at school and will not be absent from school during the term unless sick (in which case a written explanation will be provided immediately on return to school) or for a special occasion, as approved by the Head in writing, in advance.
- j. In the event of my child being withdrawn from the School, full term notice shall be given in writing and handed to the Head not later than noon on the first day of the term in question. The notice shall be stamped, signed and dated by the school head/deputy upon submission to the school.
- k. The Head has the authority to suspend, exclude, expel or to request the removal of my child for any cause judged by the Head to be sufficient, and that I shall nevertheless be liable for the full terms' fees for the term during which such suspension, exclusion, expulsion or removal takes place.
- l. This enrolment contract is for the duration my child is at Watershed, and on condition that I have met all financial obligations to the School as determined by the Board of Governors from time to time.
- m. I consent to the jurisdiction of the Magistrate's Court in Zimbabwe notwithstanding the fact that the amount of the claim exceed the jurisdiction of such Magistrate's Court in respect of any legal action taken against me for outstanding school fees and additional charges incurred, together with interest, collection commission, tracing agents' fees and any other legal costs on the attorney/client scale.
- n. I have read the Watershed Code of Discipline and undertake to support the school and my child in observing its requirements.
- o. I understand that professional photographs may be taken of my child and used in official printed and online school promotional publications.

CO-CURRICULAR PROGRAMME

All pupils are expected to take part in the school's co-curriculum programme, for which as wide a range of choice as possible is offered. This will involve pupils in a minimum of two afternoons per week, and in addition, matches and other school activities which are arranged for Saturdays.

Attendance at co-curricular activities and Saturday matches / school activities carries the same priority as attendance at lessons.

I will ensure that my child will represent Watershed College if selected.

I (Parent/Guardian's name) _____ understand the foregoing.
